

Childcare

Description of the course:

This course is a basic introduction to all round child development. Looking at how children grow and develop and how we as parents, carers and anyone else who may be interested in working with children can support them in the early years. It is delivered in a relaxed friendly and supportive environment.

How are the sessions organised?

The courses run for 12 weeks, with a 2 hour session each week.

Will I get a certificate?

Yes, the course is accredited through NOCN level 1

Classes cover the following areas:

- Understanding and coping with child behaviour
- Children's social and emotional needs
- The value of creative play
- Children's physical needs
- Health
- Nutrition
- Safety
- Hygiene

Is this the right course for me?

Discuss with your tutor if this is the best course to meet with your needs. This course is suitable for anyone who cares for children or anyone who may be interested in taking the first step towards training that may help when looking for work in a child care environment. This may be the first step to help you progress On to an NVQ (or equivalent) in Childcare.

Any special requirements?

No special requirements

What can I go on to next?

During your course our Qualified Information, Advice and Guidance officers will visit your group to discuss further learning opportunities.

If you haven't found what you are looking for, why not give us a call to discuss your needs
