

## **Making A Difference - The Parent's Way**

- **Are you a mum, dad or carer** of a child aged 0-25 with a disability or additional needs?
- **Do you consider** your child to have a disability or additional needs?
- **Are you tired and frustrated** with the services your child is receiving?
- **Do you want** to make a positive difference to the way services are delivered in Doncaster for all children?

***Then we want to hear from you!***

M.A.D. are a group of like-minded parents who strive to make a difference to the way services are delivered to children with additional needs and disabilities.

**Even if you are unable to make all of the meetings, your contributions are still welcome via email or letter - please join us!**

Those who make the decisions in education, health care and social care about how children's services are offered and delivered will hear our voice. **Join us and have your voice heard too.**
