From September 2010 The Mobile Crèche Company in Partnership with Coedfa Consultancy will be providing Inclusive Training Course Packages. These incorporate onsite childcare at the chosen venue ( 2 staff maximum 8 children) and the following Positive, Interactive Training Courses : (Maximum 20 adults)

- **Confidence Building: ‘When Life Throws you Lemons.....Make Lemonade’**
- **Fun Food for Children: ‘Healthy Eating for Pennies’**
- **Language and Play: ‘Play for Pennies’**
- **Cottage Industry: ‘From Ideas to Enterprise’**

### **Encourage Attendance**

Coedfa Consultancy Training is developed by a lone parent and understands their needs and concerns. It is likely that they are unable to find additional childcare for their children and this will result in the participant missing course sessions – *In partnership with The Mobile Crèche Company we provide a solution to this dilemma.*

We also understand that some participants have been out of education and work for a substantial period of time and find that having a training regime to adhere to quite challenging, leading to missed course sessions –*Our courses are fun, pitched at the right level and leave participants wanting more....therefore they return week in / week out.*

In every scenario there is the inevitability that some participants can’t attend all the weeks due to child sickness etc-*We can run an extra session at the end of the course to allow participants to catch up on missed work.*

Our courses do not exclude or single out those with low levels of basic skills (literacy, numeracy or I.T.).

### **Lack of Confidence**

Coedfa Consultancy Trainers are comfortable in working with groups of people that lack confidence and works towards raising their confidence and making their experience of adult education a positive one.

We welcome differing agencies staff members to sit in on the training if a participant feels they are unable to do the training without their support.

### **Sensitive to Issues**

Coedfa Consultancy Ltd and The Mobile Crèche Company Ltd will be sensitive to issues around child protection and the effects this has on families. We are mindful of differing issues that may or may not affect participants whilst delivering the courses.

### **Timetable and Frequency**

There is no set timetable for these courses to run, the courses are run on the basis of demand. We are able to run a specific course with a minimum of two weeks notice.

Coedfa Consultancy is able to deliver the same course but in a range of timing formats e.g. a 20 hour course could be 10 x 2hr sessions over 10 weeks; 5 x 4hr sessions over 5 weeks, or over 1 week etc. This will maximise attendance and fit in with the different needs of participants.(NB *Mobile Childcare can run for 1 hour and 59 minutes and for up to 6 full days per annum in unregistered premises.*
